

REMARKS

Claims 1-26 are pending in the application.

The Examiner objected to the application on the basis that it did not contain an Abstract.

Applicants have added an Abstract by this Amendment. Applicants assert this ground of objection is overcome.

For all the above reasons, Applicants submit that claims 1-26 are in condition for allowance.

Respectfully submitted,

Dated: 08-04-2011

/Steven N. Fox/
